Profile

Hello, I'm Somesh Yadav, a dedicated BCA student with a passion for web development and a strong connection to the world of yoga. Currently pursuing my Bachelor's degree, I'm driven by a desire to learn and grow in the fields of technology and wellness. My journey began with a fascination for web development, which led me to explore the dynamic and ever-evolving landscape of web technologies. I've honed my skills in front-end and back-end development, HTML, CSS, JavaScript, and various frameworks. This foundation empowers me to craft user-friendly and visually appealing websites that deliver seamless experiences.
